**Subject:** RAIN in the forecast for SAT- WED of this week in Tega Cay!

**Dear Ladies and Gentlemen and Elected Government Officials;**

I am writing again today to let you know that we have RAIN in the forecast for SAT– WED of this week.

We are afraid of RAIN (this is a 4 letter word in Tega Cay)!

How long must we suffer here in Tega Cay for this company (UI/TCWS) incompetence?

If your hands are tied should we go ahead and put our property up for sale and hope no one asks if we are on this company's service?

I do not know what to do anymore.

Do you have any suggestions of who can help?

I've asked for help, sent photos, wrote emails, what else can I do to get some ones help in this matter?

Is there someone or something I am missing?

**WE NEED HELP NOW!**

**This company is ruining our environment, home values and our peace of mind.**

**WE NEED YOUR HELP NOW!**
